"Dream is not that which you see while sleeping; it is something that does not let you sleep." — Dr. A.P.J. Abdul Kalam

Dear Students, Parents, and Teachers,

As I walk through our classrooms and corridors each day, I am inspired by the enthusiasm, creativity, and determination that define our school community. Every question asked, every challenge embraced, and every act of kindness reflects the values we strive to nurture.

Learning is not merely about achieving academic success; it is about growing into confident, compassionate, and responsible individuals. I encourage each student to remain curious, resilient, and committed to becoming the very best version of themselves.

Let us continue this journey together—supporting one another, celebrating progress, and creating meaningful experiences that inspire lifelong learning.

Warm regards,
Kulvinder Kaur Agarwal
Vice Principal

From the Activity Coordinator's Desk

Dear Students, Parents and Teachers,

A new academic year always brings fresh beginnings, new opportunities and the excitement of learning beyond the classroom. Over the past few months, it has been a joy to watch our students participate with enthusiasm in assemblies, competitions, club activities and various school events.

Every activity gives children a chance to discover their strengths, build confidence, work together and create memories that stay with them for years. Seeing them step out of their comfort zones and grow with every experience has been truly rewarding.

The best is yet to come. The months ahead are filled with exciting events, competitions and programmes, and I encourage every student to make the most of these opportunities. Every experience, big or small, plays a part in shaping their journey.

-Rupa Jordon (House Parent)

Dear Students and Parents,

A hostel is more than just a place to stay, it is a second home where children develop confidence, discipline, and independence.

Over the past two years, it has been a privilege to see our students grow not only academically but also into responsible, compassionate, and confident individuals. Hostel life teaches valuable lessons beyond the classroom, fostering responsibility, teamwork, and meaningful friendships that shape character for life.

As a House Parent, I am committed to providing a safe, caring, and nurturing environment where every child feels valued, supported, and inspired to reach their full potential.

With the continued trust and support of our parents and teachers, I look forward to guiding our students on this wonderful journey of learning and growth.

Mother's Day (Nursery to II)

Celebrating the beautiful bond between a mother and a child, The Mother's Day celebration was filled with love, laughter, and memorable performances. The celebration aimed to familiarise students with the rich literary and cultural heritage of India while encouraging appreciation for art, music, and literature. Every performance added grace and vibrancy to the event, making it a memorable learning experience for all.

Colours of Learning (Nursery to II)

Our tiny tots joyfully celebrated Red, Yellow, and Blue Days with exciting activities that made learning fun and meaningful. Dressed in vibrant colours, the children explored colour-themed objects, enjoyed rhymes and stories, and participated in creative art and sensory activities. These celebrations helped them recognise colours, improve observation skills, express themselves confidently, and learn through play. Every Colour Day was filled with smiles, curiosity, and happy moments, making learning a truly enjoyable experience for our little learners.

TALENT Hunt

The Talent Hunt Competition for Classes NUR to IX, organised at the beginning of the academic session, provided students with a vibrant platform to explore and showcase their unique talents across various fields including recitation, storytelling, solo singing, instrumental music, and western and contemporary dance forms. Conducted every year as an initiative to identify and encourage young talent, the event aims to boost students' confidence, nurture creativity, and provide opportunities for self-expression from the very start of the session. The competition also helps teachers recognise students' interests and abilities, enabling greater participation in future school activities and events. The enthusiastic participation and remarkable performances by the young Mayoorites truly reflected their confidence, passion, and artistic potential.

Spin-a-Yarn Story Weaving Competition (Class III-V)

The Spin-a-Yarn Competition for Classes III to V was organised to encourage imagination, creativity, and confidence among young learners. Indian Eloquence. A writer in the New-York Mirror, gives this lament of an Indian Warrior of the Yamassee tribe over the graves of his fathers and the recollections and affections of his youth. It is "the majesty of grief without its weakness."

भोलिको घाम

थकित छन् गोडाहरू, तर यात्रा रोकिएको छैन,
अँध्यारो छ रात निकै, तर आश मरेको छैन।
ढुङ्गा र काँडाहरू त बाटाका साथी हुन् यहाँ,
सङ्घर्ष बिनाको जीवन त कतै पनि भेटिएको छैन।

हिजोका तीता पलहरूलाई बिर्सिदिनु छ अब,
आँसुका ती थोपाहरूलाई हाँसी पिइदिनु छ अब।
थोरै ठेस लाग्दैमा गन्तव्य बदल्ने पो कहाँ हो र?
हरेक पराजयलाई जितको जग बनाइदिनु छ अब।

पहाड जत्रो चोट भए पनि, एउटा सानो मुस्कान बाँकी छ,
यो मनभित्र अझै पनि एउटा ठुलो उडान बाँकी छ।
नडगमगाऊ तिमी, आँधीबेहरी त आउँछन् जान्छन्,
कालो बादल पछि झुल्किने, त्यो भोलिको घाम बाँकी छ।
